Assessor Comments	A small line of well bred Dunoon blood angus steers ready to turn out and fatten on grass or to put straight on feed, these steers are renowned for their temperament, doing abilities and always at the top end of the grades. Bred by the Nixon family of Macclesfield Pastoral these steers will not disappoint, showing great softness as well as good bone and structure. A number of steers were mouthed with all showing signs of them just cracking their 2 teeth. Please note a small percentage of steers have old pink eye scaring in one eye but isn't effecting their sight
