| Assessor Comments | A/c Krongart Pastoral – 60 March/April 2024 drop Angus and Black Baldy steers. **EU Accredited & PCAS Eligible** Weighed 400kg full plus to average 402.2kg empty at delivery. These cattle attract repeat buyers, showing good weight for age and have always performed well, they come with our highest recommendation. They have been properly weaned now running on Lucerne pastures and are very quiet being a pleasure to handle. The Krongart cattle go forward and grow into heavy trade or export weights year in year out. |
