Assessor Comments	Buyers, an opportunity presents itself to purchase a very good quality line of 34 weaned Braford, Simmental & Droughtmaster infused steers. These steers present in store condition and will offer plenty of compensatory weight gain once settling into their new environment due to having been fully weaned & handled. Steers show all attributes to make great future feeders or bullocks, and will excel on grass, crop, or grain. Please see photos and video for full satisfaction.
