Assessor Comments	Buyers, on offer are 108 weaned Vendor bred Angus cross infused heifers, Heifers would be ideal to put away and take through to heavier feeder/kill weight at a young age. Heifers stand on good bone and show plenty of length and depth whilst still showing good femininity, A Large percentage of the Heifers would be suitable for any Angus programs that they had to go into, Heifers would also suit all of your domestics/export markets whether it's in the feeder or processing grids, Heifers could also be retained as future breeders and joined to a bull of your choice when the time comes.
