Assessor Comments	Buyers, here is a great line of Charolais cross steers that are very well bred averaging 305kg. These steers show nice muscle expression with plenty of length. Steer's are soft smooth easy doing types standing on good bone, that have nice spring of rib with depth of flank. Steers are out of medium to large frame cross bred cows by top quality Moongool & Palgrove Charolais stud sires & Texas Angus sires. Steers were extremely quiet to handle through yards. These cattle have a great reputation for performing on grass and grain.
