Notable Traits	Traits 1 Head Light scarring in 1 eye		

Assessor Comments	A line of 58 good quality vendor bred Angus x Angus steers presenting in store condition that had an average empty weight at assessment of 249.8kg. Buyers this is a great opportunity the purchases a line of steers that have been weaned and have plenty of compensatory weight gains and would be ideal to go on to oats. Steers were a pleasure to work through home yards at assessment and would be an asset to any backgrounding operation.
