Assessor Comments	6 NSM good quality Brangus Heifers. Heifers are 18-20 months old and the heifers weigh from 393-496kg to average 426kg after an 18 hours curfew. Heifers would be suitable to back into the paddock as replacement heifers ready to join or to grow out on grass or grain to heavier slaughter weights. Heifers were easy to handle throughout the yards, 1 heifer became unsettle when pressure was applied. Please note vendor has another 2 lots in the same sale.
