Assessor Comments	A terrific line of EU-accredited Angus heifers, bred from a herd with over 30 years of focused Angus genetics. The vendor places strong emphasis on high IMF and growth, consistently buying bulls with top-end genetics to drive herd performance. These heifers are well-grown, quiet, and present a great opportunity to add high-performance bloodlines to your herd. Perfect heifers to take home and join to a bull of your choice. 4 Heifers have old pink eye scaring in an eye but doesn't appear to be affecting their eye sight in any way. 4 Heifers have a little white on their udder. Chance to put 147 heifers one mark together. Orange and white tags are photographed together.
