Assessor Comments	This is a very nice line of young heifers from the Mutooroo Pastoral company, Mulyngarie station. All vendor bred from renown SA blood bulls. Although they are light in condition, the are still fresh and are showing no signs of that rough dry coat that can sometimes be seen in drought affected weaners. Buy with confidence that these heifers will grow out into good feeder types or future breeders. These are only being sold due to the ongoing dry spell through the area.
