Assessor Comments	A Very Good to excellent Line of Unweaned heifers, This is the complete drop. Bred from Alloura Angus bulls out of high quality Red Angus Cross cows, these calves are fresh and soft with plenty of thickness for type. These heifers will grow out into heavy exports or good breeders given the opportunity. This is the complete drop and coming out of a good season. Calves were removed from mothers for assessment and were a pleasure to handle. Calves will be weaned off cows at delivery. Highly recommended calves that will preform
