Assessor Comments	"Balrook Pty Ltd" will offer 58 EU Accredited Angus and Baldy Heifers, 14 to 16months, Nampara & Chiltern Park Moe blood. Heifers are out of large frame Angus and Angus Hereford x cows and will present in healthy store condition. Preg tested empty on the 4th of July see photo of Preg test certificate attached. Heifers will come with nice upside as they are all frame and will rocket away on feed weather being on grass or grain . The Balrook heifers come with all the boxes ticked, they would normally be retained and fattened for the spring but due to seasonal conditions they are being offered for sale. These heifers have performed very well in the past purchases and will not disappoint. Please note: 1 heifer has old pink eye scarring.
