	Generally very good quiet cattle only the odd one will get slightly stirry if put on its own.	
Handled With	Bikes , On foot , Vehicles	
Notable Traits	Traits 14 Head true to the angud breed traits	
Assessor Comments	This is a small line of well bred Angus steers that are showing excellent length stretch and frame for there age. Vendor always has a small line of steers and heifer this time of year as he spreads his calving out. These cattle always preform extremely well when placed on hard feed as they are raised on light country. The vendor has a small line of Heifers is this sale as well which may help with trucking.
