Assessor Comments	Attention all buyers on offer we have 12 cracking Angus Charolais Cross Trade Steers. These Steers are a credit to the Vendor and his program all Steers showing fantastic shape frame and style for their age. Coming in at a great 353kg average on delivery. Please note they have had help along the way with access to a creep feeder while on Mum which is seen in the animal itself. This is a great opportunity to purchase good euro cross Steers that are well and truly already on their way. Please note vendor has Heifers in the same sale.
