Assessor Comments	75 Angus X Angus Feeder steers. Lawson and Boorugal blood steers we're originally purchased ex Auctionsplus & Feature Store sales in Tamworth as yearlings steers have been grown out on a favourable summer and autumn season on buffel and native herbages in forward condition showing good stretch and frame. Ideal cattle to take to feed to top off into a domestic or export kill. Buyers please note selling 150 run out of the gate into 2x lots of 75 in sale. Please note 2x steers with pink eye scarring. Buyers a great opportunity to put truckloads of good quality Angus feeder with plenty of upside in a rising market.
