Assessor Comments

25 Weaned Brangus steers presenting in a healthy forward store condition. Weaners are 6-8 months old weighing 207-322kg to average 272.8kg full at assessment. Steers were easy to handle throughout the yards. Steers would be ideal to buy and put straight back onto an oats crop to grow out to the feeder market or to slaughter weights. Please note vendor has another 2 lots in the same sale.
