Assessor Comments

Here presents an outstanding line of Coolie and Dance Angus heifers. These heifers are bred out of a quality cow herd line and would be ideal to background or go straight on crop to grow out for future breeders. Heifers have been drafted off their mothers on 7/7/25 and will be retained in yards on good quality lucerne and oaten hay until delivery. Heifers average weight of 282.6kg at assessment. Intending buyers please note heifer has a small amount of old ringworm markings. Vendor has one more lot in this sale.
