Assessor Comments A magnificent line of Vendor Bred Black Blady steers 10-12 months of age. The steers stand on good frame and show good length, depth and width of body. The "Cuan" steers are proven performers and are suited to both grass and grain fed markets. Grass Fed & Antibiotic Free. No Grain and No GMO. The steers have been weaned, with all health treatments up to date. These steers come with my highest recommendations, some of the best cattle in the Upper Hunter.
