Notable Traits

Traits

Assessor Comments	Very well bred line of Aug/Sept steers. They are well grown for their age and represent the 2nd line of steers on offer with a lead group of steers also being offered. Vendor annually invests heavily in his Angus genetics both through AI and naturally and these true are a true example of this. 286-360kg at assessment with only 6 steers under 300kg. Steers have not had a set back and carry a clean bill of health from a well managed operation. Total of 132 steers on offer in two weight groups. Please call for further information
