Assessor Comments	Roy Hill Pastoral will offer 33 Angus & Angus X Heifers, September/October '24' drop, Chiltern Park bld, NSM. PCAS, Gass Fed & Antibiotic Free. Heifers will present in genuine healthy store condition, they are still fresh enough and will go on given feed in front of them, being such a late drop, they haven't seen much green grass. Heifers are very quiet and have been grazing the road for the last 6 weeks. Heifers do have the breeding behind them and will respond with grass in front of them.
