| Comment on Fat Score 1 Cattle | All cattle are fresh store to forward store condition and will travel well. All weaners are trucked into house yards so are use to being on a truck.                                                                                                                                  |
| Vendor Bred                   | Yes                                                                                                                                                                                                                                                                                   |
| Stock History                 | Cattle have been bred out of a Brahman, Droughtmaster & Charolais X cow herd                                                                                                                                                                                                          |

| Assessor Comments                     | Buyers an opportunity to buy 4 decks of VGQ PCAS eligible Charolais X weaner heifers. These weaners have all the right bloodlines and genetics and are best described as medium to large frame relative to age. Weaners have been weaned for over a week to three weeks at delivery and are very well educated by vendor through yards. A very reputable line of cattle for sale that will be ideal to put away on grass and grow out to heavier weights. Heifers have plenty of bone, length, depth & confirmation. Heifers have a good performance record and will suit to grow out to heavy feeder weights or would very much suit a future breeding program. This line has a total of 272 head in the run with delivery being a run out the gate with 1 x 4 deck lot & 1 x B double. Note 2 x family brands in this line. |                                                                                  |                                     |
