| Good to handle easy doing steers. Cattle respect yards and handler when drafting and weighing at assessment. Steers were drafted twice then weighed with none becoming agitated, credit to the vendor. Good cattle to work with persons with prior stock knowledge. |                |     |                                           |                                     |
