Assessor Comments Buyers a good line of well bred Santa Heifers. These Heifers were purchased earlier in the year and were then put on the road at Blackall and were walked to Mitchell and were then trucked to home. These Heifers are well handled by bikes, dogs and horses. These Heifers all present in good store condition and would be ideal to feed with opportunity for compensatory gains to be had. Heifers would suit to join to a Bull of your choice or to feed for a Domestic or Export market.
