Assessor Comments Buyers this is a great opportunity to purchase a very well bred line of Future breeders. These Heifers are exceptionally bred being out of a Cow herd that is purely based on Glen Avon Angus blood. These Heifers show good weight for age and have good feminine traits. The Vendor has retained 15% of the total Heifer drop and has removed 10% of the tail. These Heifers would suit a future breeding program and would be an asset to any breeding herd. Please note the Vendor is offering 125hd and will be sold into 2 lines consisting with 1 lot of 62hd and 1 lot of 63hd to be drafted to the best of our abilities.
