| Assessor Comments | Quality line of Angus & Angus X steers. Presenting in good store to forward condition, these steers are just hitting their straps and given the opportunity will bounce away on feed Observed approx 1 steer with slight cloudy eye. A very nice line of well bred yearlings that are good to handle, presenting an excellent opportunity to secure a good line of a/c the breeder steers to target trade or export markets with a live weight range at assessment from 359kg to 457kg. |
