Assessor Comments	Buyers, here is an exceptionally well bred line of weaned EU Angus steers that ave 291kg (270 to 309kg). Steers have great length of body with thickness, depth and volume to keep filling out. Steers are very soft smooth easy doing types showing nice muscle expression and breed type. These steers are out of medium to large frame Angus cows selected for high marbling averaging 6.87 FOR IMF At joining. Steers are sired by Milla Murra, Ben Nevis, Knowla & Trio stud Angus sires. These steers were quiet to handle through the yards. MRH cattle are highly sort after for there performance on grass and grain being sold to repeat buyers. Steers are antibiotic free and grass only eligible. Note this is a run out the gate of 2 lots 68 hd & 67 hd. Note 2 steers old blue eye scaring but not detrimental.
