Assessor Comments	285 magnificent quality steers that will be sold as 3 even runs out the gate of 95. Steers can be purchased on a cents per kg weight basis or \$\$ per head. Steers have done exceptionally well so far and with all the hard work having been done getting started on grain which has ensured rumen is fully developed for either a feedlot or to go onto a grass program. The Yammatree steers are highly sought after by several major feedlots, and we have good feedback on their performance in feedlots.
