| Assessor Comments      | Buyers on offer, 18 Charolais cross bred cows that are back in calf to the Boshammer Angus bull. Aged from 4 to 6 years old these cows are in the prime of their breeding lives and would make great additions to anyones breeding herd. Only selling due to expansion of Angus breeding herd these cows are a regretful sale. A great opportunity to purchase young breeders like this does not often arise. A great line of 18 Charolais cross cows for your competition. |                                                          |  |
