| Assessor Comments      | A nice little line of 8x8 black Baldy and Braford x heifers with Braford calves at foot. Heifers are all on their first calf and were purchased out of Dalby saleyards with the intentions to feedlot but due to being in calf and the lovely temperament it was decided to let the heifer's calf out. These units would be ideal for any breeding program. Please note the vendor also has his vendor bred weaners in the weaner and yearling sale and also has a line of 16 PTIC Santa heifers in this sale as well. |
