Handled With	Bikes , Dogs , Vehicles		
Assessor Comments	20 PTIC Angus heifers that are Ardrossan & Llandarlo Angus blood from a noted Upper Murray herd. These heifers are genuine tops of the Drop. They were joined with the intention to go back into the herd. They will grow into large framed matrons that will not disappoint. heifers are joined to a LBW bull from The Glen Angus and the vendor did not need to assist a heifer to this bull last year all calved unassisted. Heifers are quiet and good to handle through the yards and crush without a fuss.
