	These Heifers were extremely calm at all times and a pleasure to work through the yards.					
	On foot , Vehicles					

Assessor Comments	A neat line of extremely docile well-bred PTIC Angus heifers. With well know Angus genetics such as Stoney Point, Millah Murrah & Marryvale displayed in the genetic makeup of these females you can buy with confidence that they will go on to be quality breeders into the future. Joined to registered Angus Bulls to start calving mid-November they will benefit from the spring feed to display their genetic potential leading into calving.
