Assessor Comments	The cows present in a forward store condition and are doing a great job with their calves, as they are really fresh. The Cows were purchased three years ago from the south east and have been great cows for the vendor, they show good breeding with great length of body and capacity. Only selling due to the tight seasonal conditions. The calves have been marked and are ready to keep going ahead, and the cows are ready for a bull whenever it suits the potential purchaser. This cow and calf unit will fit into any operation, as they show good quality and soundness. Note vendor has another 12 cows and 12 calves in the sale on a different farm.
