Assessor Comments	Buyers a neat line of Angus heifers account the Rynne Family. A little line of top quality moderate to large framed Angus females possessing all the attributes to grow into great breeder cattle. These heifers were very easy to handle at assessment as the cattle are bred naturally quiet. These heifers are bred out of the Rynee Families Angus cow herd sired by top of the line Angus sires that go through rigorous examination before being selected and purchased to breed on for the Rynne family, the family go through extensive selection processes when selecting bulls to go into their cow herd ensuring they are getting the best bulls possible for their cows. The Rynne family have significant investments in top line bulls for their commercial operation and the sires of these heifers are no different. This lot of heifers are joined to and PTIC to Angus sire Sugarloaf R44
