	Cows were very good to handle and worked well through the yards.		
Handled With	Bikes , On foot		

Assessor Comments	Buyers on offer is a small line of 7 registered PTIC young Angus cows. These cows are good quiet cows that would suit someone wanting to start a herd or top up breeder numbers. These cows show plenty of potential of plenty of breeding life left. A perfect line to breed good quality Angus cattle out of and improve your herd. Majority of these cows are 5-7 months in calf with only 1 cow being 3 months in calf.
Assessor	**Jack Dougherty (Level 3 Accredited)**
