Assessor Comments	A good opportunity to buy a small herd of registered Full Blood Wagyu Cows. The Cows are being culled for age however they are strong and healthy. Being registered and PTIC to registered Bulls gives buyers the opportunity to start a Wagyu operation or top up on genetics. (Please see attached Registration Papers). Coastal raised, no fuss Cows that will go on under the right conditions. Note 2 Cows have a capped hip, 6 Cows slightly long in the hoof, mainly due to age & prolonged wet grazing conditions. Cows have been selected from multiple paddocks hence the reason for multiple sires.
