Assessor Comments	On offer are 53 ptic Angus heifers. These heifers have an average live weight of 420 kg at assessment. They are showing excellent length and are developing into well-framed females. These future breeders have their entire lives ahead of them and represent an investment in long-term productivity. The heifers have been joined to Waitara Angus bulls, with the joining period from 09/02/2025 to 09/05/2025. heifers preg tested by Matt Guess on the 9th of July. Please refer to the attached pregnancy certificate for details. These heifers have been very well handled and were a pleasure to work with in the yards. They carry my strongest recommendation
