Temperament	Yards	Crush	Paddock
	Quiet: 9 head Slightly Stirry: 1 head	Quiet: 9 head Slightly Stirry: 1 head	Temperament not assessed in Paddock
An easy small lot of cows to handle, one was a little uncertain with a stranger in the yard , and another took a little while to stand comfortably on the weigh platform.			

Handled With	Bikes
Assessor Comments	A well-bred group of Angus cows well up on the job and ready to calve for the successful buyer. These cows are large framed and bred for the cold and are holding their condition well considering the recent weather conditions. The cows would represent good buying for a small holding looking to start a herd, and would also be a quality addition to an existing herd.
