| Assessor Comments | To be offered on behalf of C.R & N.P Baulch of 'Audley' are 40 young NSM store cows. Cows were purchased in spring 2024 as heifer/cow and calf units, with majority 1st calf at foot, some with 2nd. Calves were weaned of cows in late May, then preg tested on June 2nd. Of these 40 cows, 24 cows where preg tested empty, the balance being 16hd where preg tested in calf at 7 weeks, these 16 hd received a PG injection to abort on the 4th July when they were approx 10-12 weeks in calf. 100% of cows mouthed, 8 x 4 tooth and 32 x 6 tooth. A great opportunity to purchase store cows that are all frame and no condition heading into the spring. |
