Assessor Comments Buyers an opportunity to buy Angus steers that are quiet & well handled. These steers are ideal to take through to feeder weights, could also be grown out to yearling bullocks. The 1 steer with blight scarring showed no sign of impacting vision at assessment. There is 1 steer that had been off feed for number days when first weaned but is back eating now & has put on 12 Kg since the 19/7/25. See photos.
