Quality Grades		Store Condition	
Very Good	100%	Fwd Store	100%

Temperament	Yards	Crush	Paddock
	Quiet: 31 head	Quiet: 31 head	Temperament not assessed in Paddock

Heifers were very well behaved throughout assessment. All leading up the race well, just a very handful showing a bit of anxiety in the crush, listed above as slightly stirry. Moved quietly past the handlers while being counted out into the larger holding yard. Then were happy to settle in the holding yard whilst walking around on foot to get photos & video. Well educated young heifers that will only get better & better.

Handled With: Bikes , On foot , Vehicles

Notable Traits

	Traits
8 Head	Small, Diminishing Ringworm

Assessor Comments: Excellent opportunity to secure of high marble producing Angus X Heifers. These heifers are highly sought after and attract a premium price from feedlots given their reputation to perform. Out of a high performing herd of Hazeldean Angus Cows, with the recent introduction of Shacorrahdalu Angus genetics. Always carefully selecting sires for +3 IMF, above average 400DW & positive carcase figures, as well as A.I programs to improve overall herd quality. Females with length, depth & width, giving them a real advantage to pack on the weight & be high yielding finished bodies. These heifers present in store/forward condition and will go forward on delivery. Please note vendor has 109 AA heifers in the same sale to make up a B-Double.
