Handled With	Most heifers walked through the yards with ease, few heifers turned around in the race & got a bit agitated in this process Bikes		
Assessor Comments	The Wright Family has been breeding top Hereford cattle for years weaners often being 400+ kg. Wrights have been using top bulls from Marwarra & Tarcombe for many years. Plenty of scope & frame due the season also being sold earlier than most years, heifers that would bounce ahead with spring just around the corner. Out of large framed herd of cows. Opportunity to put a one mark line of 57 heifers together with the sisters in the same sale. Grass fed & Antibiotic Free Please note 1 heifer with old pinkeye scarring
