Assessor Comments	An Excellent run of #5 Weaner Steers, that have been well handled and educated. Presenting in fresh to Forward store condition, of lighter Forrest /Wattle Country 55 klms West of Charters Towers, with a very large percentage poly and rest very well dehorned they are an attractive line of weaner steers that will only go ahead on good country. In the past these steers have grown out and fed very well at feedlots in southern Queensland, over the past 3 years vendors have decided to concentrate on selling as weaners, and have a great reputation for performance and temperament by repeat purchasers. They have had a long range botulism at Weaning as well as a backline they are locate in ticky country but vendor will pre treat again and guarantee clear of the dip if required Vendor has a total of 240 hd in this sale in 2 lots, 2 x b doubles at 120 hd each which will be a run out the gate at delivery
