	Cattle are very well handled and educated - as you can see in the video footage they walk off the handler happily with minimal disturbance and flow through the yards with ease.		
Handled With	Bikes , Dogs , On foot		
Assessor Comments	A run of genuine #5 weaner heifers that have been well educated and handled. These heifers are bred for the northern production system with the perfect balance between, Fertility and production, performance and hardiness. These are not cull heifers and are only available due to surplus to requirements. Vendor will Gauruntee clear of the dip if required and deliver to Hughenden for ease of pickup - dipping to be paid by purchaser. Although north of the tick line there are no ticks observed on Gilgunya Station
