Assessor Comments	Buyers, here is your chance to secure a 4 deck line of very good quality crossbred steers ready to perform. These steers come from a heard with a very good reputation for growth and performance on both grass and grain. They show good weight for age and carry solid bone with plenty of frame and length. These steers will suit the job of your choosing, whether it be taking them to export feedlot entry weights or take them through to slaughter weights. They have a live weight range of 250kg to 385kg and have an average weight of 293kg after a 5% delivery adjustment. Please note these steers are being sold as unweaned steers as they will not be let out of the yards prior to delivery, however, the vender will work the steers through the yards and spend the time on them to yard wean them. Please note these steers have been pretreated to assist with clearing for potential buyers in the clean country, it will be the purchasers responsibility to to insure all cattle tick regulations are followed
