Assessor Comments	Backgrounders, here is a good opportunity to purchase a tidy two deck line of 74 Angus steers. Hgp free, antibiotic free. These steers have done extremely well since being purchased early in the year, they have excellent temperament with good bone & growth. Steers present in strong store condition, weights range from 234kgs - 373kgs to avg 284.6kgs curfewed. Would be ideal to be taken through to heavier weights on grass, crop or grain. Good gains to be had. Please note 3 steers have small white markings on their underbelly.
