| Assessor Comments | A line of Santa cross and Santa/Angus/Wagyu cross heifers in store to forward store condition, these heifers have been running on Oats for the past month or so and are starting to go ahead, they are an opportunity to purchase as backgrounders or future breeders. There is one heifer with a blue spot on its eye which is not detrimental to its sight, another heifer has a sunken eye from an eye infection, the eye does not appear to affect her in any way, Vendor is willing to take this heifer out if the purchaser doesn't want her. Vendor does have Body Truck and is prepared to cart the heifers at the going rate |
