Assessor Comments	Choice Angus Stud Feature offering in the Weaner & Yearling sale on Friday the 29th August preceding the Online Angus Bull sale at 12.30pm 3 Outstanding lines of future breeders! This line of 25 are all commercial heifers. These heifers are good females with a real easy doing softness about them. They have excellent maternal traits and show good length and depth through the barrel. Choice Angus produce feminine females that are well balanced & carrying all the desired attributes you look for when selecting your future breeders. They present themselves to the market in very good condition. These young heifers are nice quality & would improve most commercial herds.
