Assessor Comments	On offer is the opportunity to secure 20 extremely well bred Angus Heifers. Heifers present in fresh forward condition. Genetics has been the feature focus for these heifers. The cow base originates from a booroomooka blood since 2017, with retain progeny since being AI'd back to Booroomooka Galileo, S Powerpoint and Aryvale Bartel, with Booroomooka and Ben Nevis Angus as back up bulls. These heifers are by this excellently bred base herd, AI'D to Baldridge Command and backed up to Booroomooka Magnum Q805, Booroomooka New Ground T178 and Ben Nevis Royalist R244. This is rare opportunity to acquire incredibly well bred heifers to start or expand an existing Angus breeding program. Ready to take home and join to the bull of your choice.
