Assessor Comments	On offer is an excellent and rare opportunity to purchase high quality well bred heifers that are a safe each way bet. Gum Creek have been breeding Wirruna BLD Herefords for the past 20yrs and have implemented using Onslow Angus Bulls for the past 5yrs. With years of breeding behind them buyers can bid with confidence knowing these heifers will make quick compensatory weight gains given the right opportunity. On offer is the complete drop of heifers with a small tail removed. These would generally be retained but unfortunately due to tightening seasonal conditions they are being offered to the market. PLEASE NOTE- The vendor has another lot in this sale.
