They are Dunoon and Alpine bloodlines and have been well weaned, educated and are a pleasure to handle and draft. With quality breeding they are ideal steers with age and frame to continue into the spring months, while currently gaining 1.3kg per day. Snowy River Angus have been breeding Angus cattle for 30 years and have always purchased top stud sires. Please note that 5 steers have a minor pink eye scar that does not effect their vision.
