Assessor Comments	A chance to purchase a line of light weight well bred Angus steers. They have just been through winter and are likely to show excellent weight gains if given the right conditions & nutrition. These steers were purchased in the Autumn from several breeders out of selling centres and were purchased as Aug, Sep & Oct 2024 drop. They have been running as one

	mob together since arriving and will be offered as one draft. Some pink eye scaring not active. Some ring worm.
